Dear Gerald,

UNDERWATER NATURE TRAIL

Thankyou for your recent reminder with regards to the Lands Office requirements in the above matter. Unfortunately, we have had to cease work on the project as we simply have not sufficient resources to devote to this area. (At this point in time I do not envisage being able to allocate resources to the project in the foreseeable future.)

Please advise me if there are to be any adverse repercussions from rejecting the Lands Office Permissive Occupancy Offer.

Yours faithfully,

Rick Poole
