The Hon. I.M. Armstrong, MP,  
Minister for Agriculture and  
Rural Affairs,  
SYDNEY 2000

Dear Minister,

I am writing on behalf of Mr John Rowe of 359 Clovelly Road, Clovelly, who is a keen scuba diver in the Gordons Bay area which is located between Clovelly and Coogee bays.

He is most concerned about fish being speared and the integrity of the Bay not being respected.

His son, Angus, has prepared a 31-page report on the area entitled "Should Gordons Bay Be Declared an Aquatic Reserve?".

I would be obliged if you could have this matter investigated with a view to declaring the area an aquatic reserve to safeguard its environment.

Yours faithfully,

Ernie Page, B.E., B.Comm., MP,  
Shadow Minister for  
Administrative Services  
Member for Coogee
