Mr Howard J Whelan
Editor
Australian Geographic
P O Box 321
Terrey Hills NSW 2084

Dear Howard,

I have written to you previously about the Pro-Dive underwater trail in Thompsons Bay/Gordons Bay. For your information, I am enclosing a copy of the completed map and a final draft of the article. Should you wish to use the map in Microbits or something similar in Australian Geographic, I would be happy to provide you with a bromide. Please let me know.

Yours sincerely,

John Rowe
